

Access Your Tax Documents – Anywhere, Anytime!

Starting mid-January, tax forms will be available and added throughout the tax season. You can access two years of tax forms through Wealth Tracker – the current tax year and the previous year.

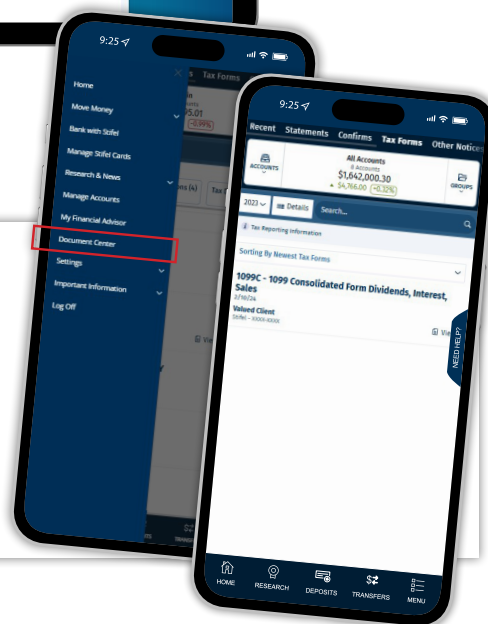

Navigate to the **Document Center**, then select **Tax Forms** from the top navigation.

To download tax forms on a desktop, click on the **Download** link next to the appropriate document. On a mobile device, click on the **View** link and follow the steps per your mobile device for download.

Electronic Delivery of Tax Forms

Enrolling in eDelivery for your tax forms will allow for faster access to this time-sensitive information. Stifel will notify you via email as soon as forms are available. To receive your tax forms electronically, visit the Delivery Preferences page to select your document delivery preference.
