

DO NOT FORWARD OR OTHERWISE DISSEMINATE

Stifel Nicolaus Europe Limited (herein “SNEL” or “the Firm”), which also trades under the name Keefe, Bruyette & Woods Europe (KBW), is authorised and regulated by United Kingdom's Financial Conduct Authority (FCA). The information provided herein constitutes non-substantive marketing material produced by a SNEL employee within the Sales or Sales Trading department and should not be construed as substantive research as defined by Recital 28 of the Markets In Financial Instruments Directive (MIFID 2) 2014/65/EU. This communication may contain references or links to Stifel* research which has already been disseminated in accordance with Stifel research policies and procedures. In all instances, the house view is defined as the published research view. The information contained herein is intended for Institutional Investors (Professional Clients and Eligible Counterparties) only and is not intended for use by Retail investors.

Any opinion expressed in this communication is expressed by the author(s) and may differ from or be contrary to those of other SNEL departments, including Stifel’s research departments. The information contained herein has been prepared from sources believed to be reliable but is not guaranteed by us and is not a complete summary or statement of all available data. Opinions expressed are subject to change without notice and do not take into account the particular investment objectives, financial situation, or needs of individual investors. This communication is not investment advice or otherwise based on a consideration of the personal circumstances of the addressee, nor is it the result of objective or independent research.

The information provided herein is not legally binding, and it does not constitute an offer or invitation to enter into any type of financial transaction. The recipient of this information must make his or her own independent decisions regarding any securities mentioned herein. Past performance should not and cannot be viewed as an indicator of future performance. The value of financial instruments and the income from them is not guaranteed and can fall as well as rise due to stock market and currency movements. Foreign currency rates of exchange may adversely affect the value, price, or income of any financial instrument mentioned in this report. Investors in such instruments effectively assume currency risk. When you sell your investment, you may get back less than you originally invested. As a multi-disciplined financial services firm, SNEL regularly seeks investment banking assignments and compensation from issuers for services including, but not limited to, acting as an underwriter in an offering or financial advisor in a merger or acquisition, or serving as a placement agent in private transactions.

Any investment recommendation(s) (IRs) included, as defined by the EU Market Abuse Regulation, are extremely limited as to their time duration and relate to the immediate trading timeframe after the time of original dissemination unless otherwise stated, and will be subject to change without notice. All IRs are completed and disseminated as of the date and time of the relevant original electronic communication. No prior disclosure of the investment recommendation(s) contained herein has been made to any issuer(s) to which the recommendation, directly or indirectly, relates. No formal timetable exists in relation to the frequency of issuing investment recommendations. Unless specified within, all prices within IRs will usually be stated at the relevant market price at the time they are published. SNEL may trade the securities discussed for its own account or on behalf of its clients, and such trading may be contrary to the views expressed herein. The author(s) of the investment recommendation(s), or a member of the relevant author’s household, may have interests in the securities of the issuer(s) mentioned. The Recommendation(s) contained herein may be different to previous recommendations.

* “Stifel” includes Stifel, Nicolaus & Company, Incorporated (“SNC”), Keefe, Bruyette & Woods, Inc (“KBWI”), and Stifel Nicolaus Europe Limited (“SNEL”), which also trades under the name Keefe, Bruyette & Woods Europe (KBW).

SNEL commenced publication of quarterly statistics in October 2016.

Country Specific and Jurisdictional Disclosures

SNEL is a non-U.S. broker-dealer and is not registered with the U.S. Securities and Exchange Commission. Accordingly, any transaction by Major U.S. Institutional Investors in the securities discussed in this communication must be effected by Stifel, Nicolaus & Company, Incorporated or Keefe, Bruyette & Woods, Inc.

In jurisdictions where SNEI is not already licensed or registered to trade, market, or solicit securities, transactions will only be effected in accordance with local securities legislation, which will vary from jurisdiction to jurisdiction and may require that a transaction is carried out in accordance with applicable exemptions from registration and licensing requirements.

In certain jurisdictions, this message is being provided to you at your request on a reverse inquiry basis only and does not constitute or form part of a direct or indirect offer, or a solicitation of an offer, to buy or sell any financial instrument or investment by SNEI, nor constitute or form part of an invitation to attend any meetings or presentations with SNEI. No marketing or promotional materials, including investment recommendations, have been disseminated into jurisdictions in which such dissemination would be prohibited by applicable law. Accordingly, to the extent that you invest on the back of any investment recommendation(s) provided by SNEI, you acknowledge and agree that you have neither attended nor been invited to any meetings or presentations with SNEI and that you will invest in such financial instruments on your own initiative on a reverse inquiry basis.
