

As a result of the recommendation from Federal and Provincial government, **Stifel GMP** and **Stifel FirstEnergy** have implemented a full work from home policy for our associates. We are doing our part to flatten the curve, to help reduce the spread of infection, and to preserve emergency medical access for those who are truly in need. We continue to be available to serve our clients using the technology that we have implemented to stay connected.

Additionally, our parent company Stifel Financial Corp. is fully operational and working closely to support our operations at this time. Our associates remain available by phone and by email and you may expect a timely response.

If you are experiencing any difficulty reaching a member of the Stifel GMP or Stifel FirstEnergy team, please leave a voicemail at our main reception line at (416) 367-8600 or toll free (888) 301-3244. These lines will be continuously monitored so we may ensure responsiveness to our clients.

Thank you for your patience as we all adjust to the impact of COVID-19.
